

## Application for Activation and Registration of More Than      Mobile Numbers

Date .....

I, ..... Surname .....

☐ ID Number .....

☐ Other cards (specify) ..... Card Number .....

We, ....., registered corporation number .....  
registration document .....  
represented by ..... (authorized person/authorization representative  
(please attach power of attorney in case granting authorization))

I hereby confirm my wish to activate and register for using more than      mobile numbers with dtac TriNet Company Limited ("the Company") by including the mobile numbers that the user has previously registered and activated with the Company (if any).

In this regard, I agree to abide by the procedures, conditions and provisions relating to the registration of the mobile number as specified by the Company. And I agree to be responsible for all activation and registration of mobile numbers with the Company as a registered user in all respects.

I acknowledge that registering a mobile user on behalf of another person may be an offense under law in relation to prevention measure and suppression of technology crime and/or civil and criminal law. If the mobile number is used in the commission of an offense or in the manner that cause of action would likely pose a damage to the other person and/or has breached the terms, conditions and/or contracts related to the use of mobile services, including but not limited to registering a mobile user on behalf of another person, but the user cannot be identified, if there is a complaint or any damage caused by numbers under registration with ID numbers or other cards as stated above, I agree to assume all legal responsibility.
